

Strategy.Dojazd

```
graph BT; Rower[Strategy.Rower] --> Dojazd[Strategy.Dojazd]; Samochod[Strategy.Samochod] --> Dojazd;
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'Strategy.Dojazd'. Below it are two boxes: 'Strategy.Rower' on the left and 'Strategy.Samochod' on the right. A horizontal line connects the two bottom boxes, with a vertical line extending upwards from its center to the bottom of the 'Strategy.Dojazd' box, ending in an arrowhead. This indicates that both 'Strategy.Rower' and 'Strategy.Samochod' inherit from 'Strategy.Dojazd'.

Strategy.Rower

Strategy.Samochod
